1. SSA Exec Summary - This should be easy to provide as is
2. IM - We can work to draft this
3. Copy of ppt used at the RTM - We used 4 different ppts (One for the introduction material, one for the SSA intro material and methods, one for SSA results material, and one for policy stuff) as well as a handout of results range-wide.....so what materials do we need for this?

Also, just an FYI I am on leave beginning this Thursday and will not return to the office until next Tuesday so I will need to make sure we get everything needed from me by tomorrow.....
